De La Salle College Strategic Plan

#300LaSale

Preamble

De La Salle College, owned by the Roman Catholic Bishop of Auckland, was opened in May 1953 under the administration of the De La Salle Brothers who have been responsible for the philosophy, charism and pedagogy of the College and the delivery of quality education for boys. Today the College has 1000 boys from across Auckland, serving predominantly the communities of South Auckland.

As a Lasallian school, De La Salle provides for a Christian and human education to the young, especially the poor according to the ministry which the Church has entrusted to the Institute of the De La Salle Brothers (Rule of the Brothers of the Christian Schools).

Belonging to the Lasallian District of Australia, New Zealand, Papua New Guinea and Pakistan, De La Salle College is tasked to be a *“high impact provider of quality education”* (District Plan 2003-2008 see Appendix 1).

As a Catholic College, we believe that a graduate of the College will be:

- ❖ A Man of Faith – who prays and integrates the Gospel’s values, serves others, especially the poor, and values the Lasallian and Catholic traditions
- ❖ A Man of Service – who gives of his talents and time to improve the lives of others in his community
- ❖ A Man of Community – who builds strong, positive relationships with his peers, family and contributes to building right relationships
- ❖ A Man of Excellence - who thinks creatively, critically, independently, and collaboratively, who strives for academic, sporting, musical, excellence, and pursues lifelong learning.

This Strategic Plan 2020-2022 is the result of careful reflection and evaluation by the entire College community – staff, learners, parents, Senior Leadership Team and Board of Trustees.
